## **Meeting With Your Advisor – Helpful Tidbits**

### **What are Advisors here for?**

- Advisors help clarify your values, goals, and help you better understand yourself
- Advisors assist in developing a plan of study to aid choice of major and career
- Provide accurate information on options, requirements, and university or department policies
- Guide you in selecting helpful university resources

### **What is expected of you?**

- Bring planner and notebook for recording information
- Be prepared beforehand by looking up requirements and information
- Be focused. Leave the phone in the backpack!
- Come with questions ready – try some from below

### **Questions to Guide You:**

- What classes can I take this semester, the next semester, and the semester after that?
- What general classes do I have to take before major classes?
- How can I change my major?
- What scholarships are offered in my department?
- How can I withdraw from a class? Is it a good idea?
- What minors might be good for me?
- How can I sell myself to employers/graduate schools?
- What campus organizations would benefit me?
